ONLINE VOTER REGISTRATION

Registering to vote or changing your registration is easy using this online application.

For security reasons this application will time out if you remain idle for more than five minutes. All data will be cleared and you will have to start the application over from the beginning.

Once you have completed the application you will be allowed to either print and mail your application or, if verified by the Office of Motor Vehicles, submit your application electronically. **If you plan to submit electronically you must have your Louisiana driver's license or Louisiana special ID card in hand when you begin the process. There is an audit code on the card that you must enter. The audit code is a four digit number labeled AUDIT on the front of the license.**

NOTICE: A Louisiana Mobility Impaired card is not an acceptable form of identification, since it does not contain a signature.

The Office of Motor Vehicles performs system maintenance from 1 to 4 a.m. CST every day. During this time, you may not be able to complete processing electronically, but the print and mail functions will remain available.

- 5) not be under a judgment of full interdiction or limited interdiction where your right to vote has been suspended.
